MasterStudio Price List

MasterStudio Developer License

The MasterStudio Developer License gives a developer the right to develop applications using MasterStudio classes. Deployment of applications built with MasterStudio is completely royalty-free. See the MasterStudio Developer License Agreement for details.

Named Developer License, price for first developer (includes 1 printed book).....€ 3,295.—
 Named Developer License, additional developers in the same company.....€ 2,745.—
 Developer Site License (unlimited developers at one company site) € 33,000.—

Additional copies of the Developer’s Guide Printed Book, excl. shipping.....€ 100.—

MasterStudio Maintenance and Support

Active developers are charged a yearly maintenance and support fee, payable in advance, which gives them e-mail support with an average response time of 2 business days or less, free minor updates and bug fixes. See the MasterStudio Developer License Agreement for details. Named developers on this support level also have the right to use per-incident phone support and callback service at additional cost.

Named Developer Support, price for first developer € 545/year
 Named Developer Support, additional developers in the same company € 445/year
 Site Developer Support (unlimited developers at one company site) € 5,500/year

Training and Consultancy

Training is given to groups of 2 to 6 developers and includes printed course materials and a CD containing training libraries, PDFs, and presentations. If the training room is provided by MasterObjects, coffee/tea and lunch are provided. For training given at the customer site, trainer’s hotel and travel expenses apply. An additional fee of € 75 is charged per traveling hour. Training is payable in advance and is non-refundable.

One-week training course (5 full days), per developer (first two developers)€ 2,745.—
 One-week training course (5 full days), per developer (additional developers)€ 1,450.—
 Individual or additional on-site training and/or consultancy € 1,600/day

Valid as of July 1, 2007. Prices listed in Euros, excluding taxes. No sales tax is charged for non-EU customers, or EU customers with a valid VAT registration number. 2% may be subtracted for wire transfers fully paid by customer. Products are shipped after receipt of a signed purchase order. Invoices are payable within 30 days. A service charge of 1.5% per month is charged on overdue balances. Prices listed on the Master Object Consultancy website are valid for Internet payments only.
